INTRODUCTION

NUS Apparels Limited is one of the leading garments Manufacturer & exporter from Bangladesh. We have been started exporting ready made garments to **USA, CANADA, JAPAN, KOREA & EUROPEAN** Market Since Long. We are enjoying a good reputation in internationally Garments Line of Trade.

We started in 2014, Eventually with our hard work, Sincerity and commitment to earn our reputation and expanded successfully by establishing our adventure. In course of time our experience has given us the expertise and knowledge to attain perfection In knit garment manufacturing & Exporting to overseas market.

OUR VISION

We strive to provide the best quality garment to our buyers. We practice advanced technology in all aspects of our operation to attain excellence concerning quality, dependability and commitment for apparel industry and society.

PRODUCT QUALITY

Our product quality is ensured with the practice of advanced technology and our inclination toward meeting our buyer's satisfaction with competitive price.

BUYER'S SATISFACTION

Our buyer's satisfaction sets the standard of our product quality.

DEPENDABILITY

Our just in time merchandising and shipment along with our advanced production technology assures our buyers to depend on us.

COMMITMENT

Our commitment to quality assurance has empowered us to ensure efficient working environment in our organization.

ENVIRONMENT CONSCIOUSNESS

Our operation ensures maintaining a healthy environment for our employees as well as for the greater Society.

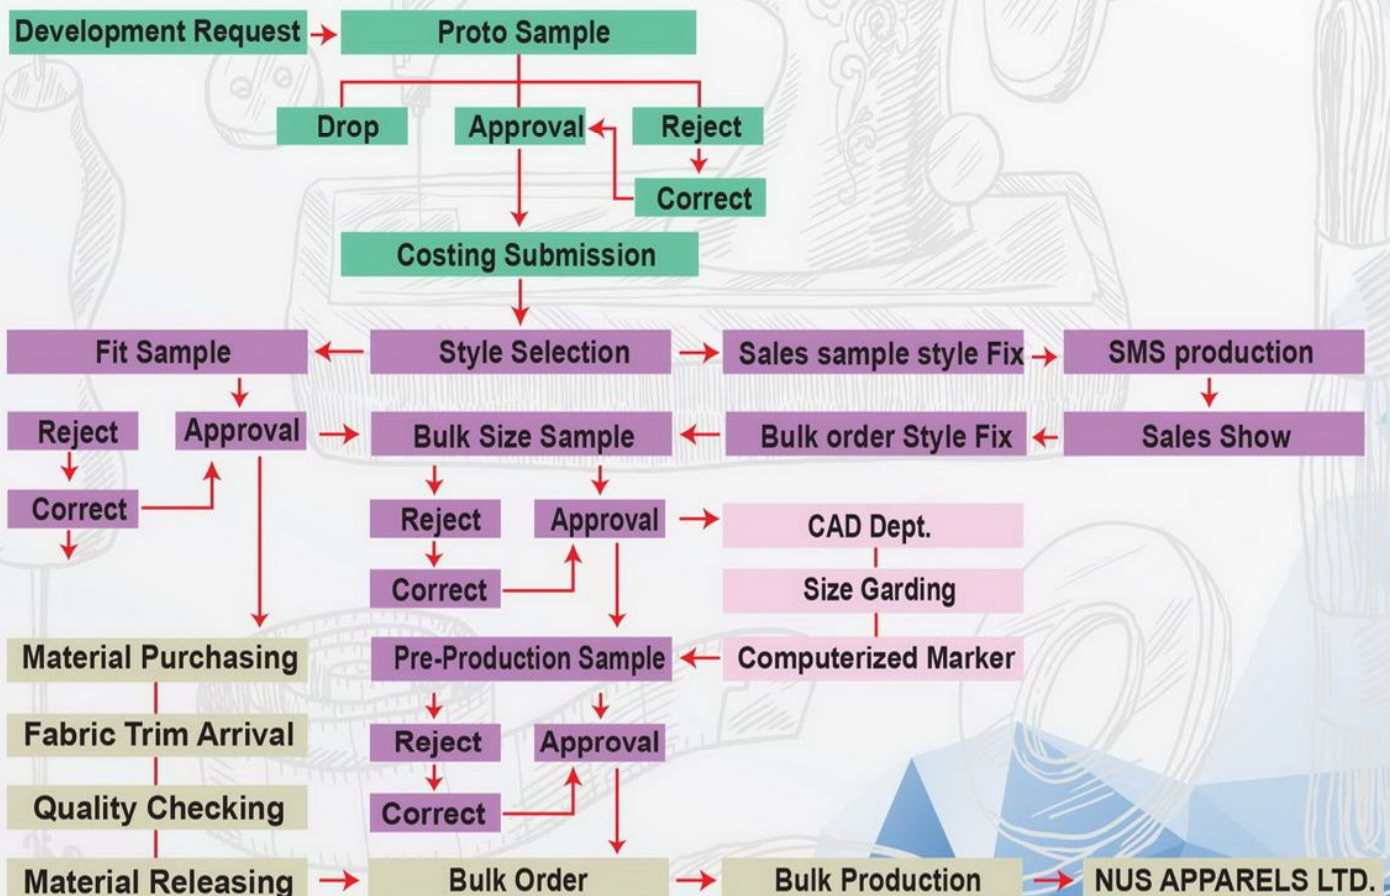

SOCIAL RESPONSIBILITY

Our sense of social responsibility is reflected through our keen effort towards employee welfare.

OUR COMMITMENT TO EMPLOYEE WELFARE

A centrally located control panel monitored twenty four hours a day to alert us in advance from any fire hazard. A medical team consisting a doctor and nurses is available all the time to render service. Employees are trained well and provided with personal protective equipment to protect themselves from any facilities. The effluent treatment plant and modern waste disposal system demonstrate our conscious effort to create a healthy environment.
